AHRC Suffolk Welcomes New Chief Operating Officer

Bohemia, NY –January 13, 2021 – AHRC Suffolk is pleased to welcome John McGuigan as our new Chief Operating Officer. Mr. McGuigan comes to us with a mix of strategic management and hands-on leadership experience.

John has over 25 years in the industry and has held roles with Creative Partnerships Unlimited, Innovative Resources to Independence (IRI), Aid to the Developmentally Disabled (ADD) and YAI Network. He has a reputation for focusing on impact and building values-based programs within his organization. With years of experience in agencies very similar to AHRC Suffolk's, he notes "I enjoy the challenge of helping organizations develop a culture that brings their values to life. For me, the most rewarding part of this work is creating opportunities for the people we support and our talented staff to bring their talents to bear on this mission."

John originally hails from Newcastle upon Tyne, United Kingdom, and he and his wife reside on Long Island with his four children. In his personal time, John is involved with his children's sports and musical endeavors. We are thrilled to have John join our leadership team and to help take us into our next phase of growth.
